

Delaware Bicycle Facilities Master Plan

The Plan Will:

- Help address bicycle safety issues
- Lead to the provision of more bike facilities - *making bicycling more viable as a mode of transportation*
- Serve the needs of all types of bicyclists
- Help the state achieve Livable Delaware goals

Goal 9 – Promote mobility for people and goods through a balanced system of transportation options.

Goal 10 – Improve access to educational opportunities, health care and human services for all Delawareans.
